

Trusted Brand. Complete Selection.

The Chicago Pneumatic brand represents an extensive range of tools, hydraulic attachments, compressors, accessories and more — with innovation and durability built into every piece of equipment.

From handheld tools to rig-mounted machinery, there's a dependable Chicago Pneumatic tool just right for your application.

Over 100 Years of Experience

Since 1901 the Chicago Pneumatic name has represented high-performance tools and equipment designed for an extensive range of applications. Today, Chicago Pneumatic has a global reach, with local customer centers around the world. Chicago Pneumatic tools and air compressors are tailored to the needs of the industrial, vehicle service, and construction markets. Every day we develop and manufacture new products that are meant to meet your demands not only today, but tomorrow as well.

CONSTRUCTION EQUIPMENT Overview Guide
